Venue: **Library Hall**

Brief storyline

Amy is only 13 years old when her mother passes away. She goes to Canada to live with her father, an eccentric inventor whom she barely knows. Amy is miserable in her new life... until she discovers a nest of goose eggs that were abandoned when a local forest is torn down. The eggs hatch and Amy becomes "Mama Goose". When Winter comes, Amy, and her dad must find a way to lead the birds South..."
