

THE SCHOOL OF THE WISDOM

SPIRITUAL SELF TRANSFORMATION and THREE STREAMS OF EVOLUTION

with
Bro. C.A. SHINDE

There is no religion higher than Truth is the motto of the Theosophical Society, and the third object of Theosophy point to become real seeker of Truth integrating Science, Religion and Theosophy.

Human beings are not free from the delusions produced by Maya (illusion) self as separation, Time as succession and space as dimension. Upward progress of the Ego is a series of progressive awakening to reach "reality" through purity of consciousness, knowing the cyclic evolution, and the three streams of evolution to bring radical change or spiritual transformation. If one transforms, he affects the consciousness of the rest of the world.
