Mantra Language: Sanskrit

SOW Students, Adyar Residents and interested members are welcome to join

In this workshop, you will learn
a **shanti mantra** in **Sanskrit Language**.

Shanti Mantras or “Peace Mantras” are
Hindu prayers or sacred utterances usually
chanted at the beginning or at the end
of a Vedic ceremony invoking peace.

We will follow the sacred ancient Vedic
methodology of teaching a chant,
including mnemonic techniques.
Hence there is no need of any
stationery or or electronic
gadgets for the sessions.

Learning from listening
and chanting will be
encouraged.

At the end of the workshop,
each one of the participants
will be able to chant a mantra!

Jaishree Kannan is a member of the
Theosophical Society and a long-time
resident of the TS in Adyar. She is interested
in music and has been practising chanting
for many years. Of late, she has been
combining music/chanting with Theosophical
Teachings in the form of singing, and lectures
to interested audiences.
