

THE SCHOOL OF THE WISDOM

INSIGHTS INTO THE TEACHINGS OF MAHATMA LETTERS

with **U.S. Pandey**

There is no religion higher than Truth is the motto of the Theosophical Society, and the third object of Theosophy point to become real seeker of Truth integrating Science, Religion and Theosophy.

The Contents of the Letters from Masters of the Wisdom (also called Mahatma Letters) constitute one of the three (other two being *Isis Unveiled* and *The Secret Doctrine*) most important primary sources of theosophical teachings for both spiritual and worldly life and especially for welfare of whole humanity. In these letters varied subjects like spiritual development, purpose of human life, evolution of earth, solar system and cosmos, concept of God, source of evil, degradation of religions, some scientific concepts, Universal Brotherhood, Death and Life after Death etc., etc. have been dealt with in light of occult science also.

After **U.S. Pandey** graduated in engineering from the University of Roorkee (presently IITR), he served in the Indian Railway Service of Engineers and superannuated from the post of Addl. Director General. Post-retirement, he has been voluntarily associated with some social works. He has been a member of the Board of Management of Transparency International India.

He is a Life member of the Theosophical Society and its International Speaker and also National lecturer of the Indian Section.

He is a member of management committees of the Indian Section. He is President of U.P. and Uttarakhand Federation of Indian Section Theosophical Society.

He delivers talks, conducts study camps and writes articles on theosophical themes. Delivered talks on Theosophical topics in many countries and also in online international seminars/meetings.

He has authored two books, one in Hindi entitled "Theosophy ke Ayam", a compilation of 21 articles and also second in English entitled "Theosophical Blooms" a compilation of 25 articles written by himself.
