

12th WORLD CONGRESS 2025

“Toward Insight and Wholeness:
Our Role in Shaping the Future”

5th TOS INTERNATIONAL CONFERENCE 2025

Dear Members and Friends,

Every seven years the Theosophical Society has its World Congress. It is time for us to prepare for the 2025 event. This special event which also celebrates the 150 Anniversary of the TS will take place in Vancouver, Canada. The Canadian Theosophical Association has offered to host the event organized by the International Theosophical Society, Adyar. The occasion is also significant because it will be the TS in Canada's 100-year Anniversary. So, these celebrations will uplift us.

This is not all. Those who work or are interested in the global compassionate activity of the Theosophical Order of Service (TOS) can attend its International Conference following the World Congress.

12th World Congress, 23 morning - 27 early evening July 2025

While appreciating the 150 years of the TS, we will explore the influence of our consciousness in shaping the future. Theosophy offers an insightful approach to spirituality and a worldview of wholeness, Unity, Oneness. The theme of the World Congress is

“Toward Insight and Wholeness: Our Role in Shaping the Future”

We are happy to welcome you to the 12th World Congress to meet brothers and sisters from all over the theosophical world, including friends of the Theosophical Movement.

Theosophical Order of Service (TOS), 27 evening - 29 early evening July 2025

The 5th TOS International Conference will take place in the same venue. You may attend either or both of them. We heartily welcome you to register for this as well.

Venue of the events

Vancouver is a cosmopolitan city. The events and accommodation will take place in an idyllic campus of the University of British Columbia (UBC) in a modern urban environment only 25 minutes by car from the International Airport. In order for you to make the necessary advanced plans for your attendance, the following pages give you details. More information will follow as we approach the date. **It is advisable to start by examining the visa requirements of your country.**

One more thing to bring to your attention. There are a lot of sightseeing possibilities in UBC and Vancouver. We will inform those for you but leave them to you to plan. So, if you wish to extend your stay after either the World Congress or the TOS Conference, please plan for 1-3 days extra.

In the detailed information, notice that the accommodation rates are given per room. If the room can have two persons, you pay only the room charge (not 2x).

We cordially invite you to attend the events in Vancouver.
